

DECLARATION OF PERFORMANCE

(Date of production: 10/09/2023), (INVOICE EX-006)

Product Description –

Glazed Vitrified Tiles Trasanni Beige 60X120cm, thickness 8.73mm.
 (Product group - B1a, HS Code - 69072100 water absorption <0.5%)

Specification –

ISO : 13006 third edition 2018-09

TECHNICAL CHARACTERSTICS VALUE:

Deviation in Length Avg. (in %)	-	0.025%
Deviation in Width Avg. (in %)	-	0.018%
Edge Curvature of Length Avg.	-	0.031%
Edge Curvature of Width Avg.	-	0.068.5%
Water Absorption Avg.	-	0.051%
Modulus of Rupture (N/mm ²)	-	45.N/mm ²
Breaking Strength Avg. (N)	-	2101 N
Surface Abrasion Resistance	-	Min. PEI grade 3
Resistance to Stains	-	Conforms the Norms (Class 5)
Determination of chemical resistance	-	No Visual change (Conforms the Norms)
Determination of Frost Resistance	-	Conforms the Norms
Determination of Moisture Expansion	-	Conforms the Norms
Determination of Lead	-	Not Detected (Detection limit 0.005)
Determination of Cadmium	-	Not Detected (Detection limit 0.005)

It's declared that above technicalities of the product are in compliance of the specified norms. Above performances are acceptable to any concerned body.
